UNIVERSITY**

WASHINGTON, DC

To: Managers and Oracle G/L Users

From: Cassandra West, Director  
University Accounting Operations

Subject: Monthly Closing Schedule (Aug 2022)

Attached you will find a schedule for the month of August 2022 that outlines key dates for closing the Oracle Financial System.

Because Oracle is such a powerful and flexible system, it is important that the monthly closing process be completed in a controlled and orderly manner. For this reason, we are providing you with a calendar that summarizes some of the key events and the order in which they must be completed.

Those persons who have ownership of Non-Oracle Subsystems (ex. Telecomm, Printing & Graphics, Postage, Bio-Med and Facilities) are required to submit their data file to the Controller's Office/Oracle by close of business on the due date per the attached schedule. Your cut-off date is the last date to process transactions in your system.

If you have any questions, you may e-mail me at [cwest@gwu.edu](mailto:cwest@gwu.edu) or contact me at extension 3-4054
