Subject: Monthly Closing Schedule (April 2025)

Attached you will find a schedule for the month of April 2025 that outlines key dates for closing the Oracle Financial System.

Because Oracle is such a powerful and flexible system, it is important that the monthly closing process be completed in a controlled and orderly manner. For this reason, we are providing you with a calendar that summarizes some of the key events and the order in which they must be completed.

Those persons who have ownership of Non-Oracle Subsystems (ex. Telecomm, Printing & Graphics, Postage, Bio-Med and Facilities) are required to submit their data file to the Comptroller's Office/Oracle by close of business on the due date per the attached schedule. Your cut-off date is the last date to process transactions in your system.

If you have any questions, you may e-mail me at cwest@gwu.edu or contact me at extension 3-4054
